Parth
EQUIPMENT LTD.

MANUFACTURER OF TUBE MILL
AND ALLIED MACHINARIES

Date - 14th Oct, 2017.

Company Profile: -

Parth Equipment Ltd. India, a T M Shah Group company, the market leader in manufacturing of Tube Mills for Stainless Steel and Carbon Steel Tubes and allied machineries, started manufacturing mill more than quarter of a century back. Parth Equipment Ltd. is located at Vatva in Ahmedabad, Gujarat, the growth engine of India. The tube mills now range from 3 mm to 325 mm O.D. We rose quickly by perfecting our machine design and process control. Genuine commitment to most stringent quality levels, utmost care for specific customer requirement and excellent after sales support are our tools to success.

As time passed by, we equipped our 8000 Sq. Meter large workshop with most modern CNC machines and other specialized machinery & tooling. With time we included Draw Benches, Hydrostatic Test Benches, Hydraulic Pointing Machines, Slitting Lines, Tube Straightening Machines, Pilger Mills and so on. Tube Mill for S.S with H.F Welder and Tube Polishing Machines are the recent addition to our range of products. With Our past experience in making one of the best Tube Mills, we quickly achieved position par excellence in other machineries as well.

We, at Parth Equipment Ltd. Are committed to fulfil obligations to fully satisfy our customer, no matter what it costs.

For, PARTH EQUIPMENT LTD.
