

Tube & Pipe Mill

Ornamental Stainless Steel Tubes

Parth

EQUIPMENT LTD.

MANUFACTURER OF TUBE MILL
AND ALLIED MACHINERIES

**T M SHAH
GROUP**

Tube & Pipe Mill Features

- Tube mills for various grades of stainless steel
- Over 300 Installation in India and Abroad
- Economical Tube Mills specially designed for Ornamental Stainless Steel tubes
- Emphasis on : Material selection,
Manufacturing and Process selection
Dimensional and Geometrical accuracy
- Cross key ways for permanent alignment for forming and sizing stands on the base frames
- Heat treated and Ground Shafts
- Screw down movement of Turk's head rolls by link pin mechanism for ease in reforming thick walled sections
- W-forming system in Roll design for better edge-forming & freedom from wrinkle while forming sizes with adverse t/D ratio
- Duly heat treated & ground Rolls from High Carbon High Chromium (HCHC), finished on CNC turning machine
- Compact Design for effortless forming of thin walled tubes

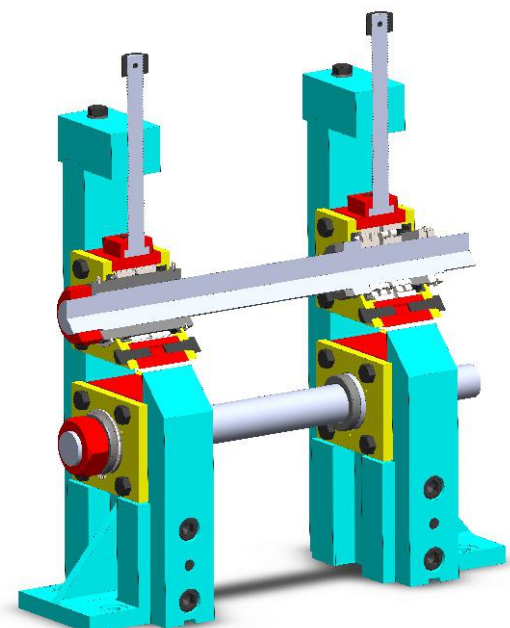

Tooling

TUBE MILL FOR S.S. TUBES
